**After a review of its U.S. Life Insurance businesses, Genworth has decided to suspend sales of all our traditional life insurance and fixed annuity products, including Total Living Coverage, as of March 7, 2016, subject to applicable transition rules and required regulatory approval.**

**Genworth has decided to direct its efforts exclusively on the market opportunity that provides the most potential for profitable growth and takes the greatest advantage of our expertise, long term care insurance experience, and competitive strength: providing solutions that address the financial challenges of aging.**

**Effective Monday, March 7, 2016, the Genworth companies will no longer accept new applications for our traditional life insurance and fixed annuity products, including:**

**\* Asset Builder Index Universal Life II**

\* Foundation Builder Index Universal Life  
\* Colony Term

\* Total Living Coverage (TLC)

\* Annuity Secure Living series

This change is effective for all states except Arkansas, South Dakota and Texas, where sales continue until appropriate regulatory notice and/or approval periods have run. Subsequent information will follow for these states.
