

## **Continuing Education Websites:**

The following are some of the most widely used websites for continuing education:

[aml.limra.com/](http://aml.limra.com/) (If you complete your Anti-Money Laundering training on this site the carriers will go out and verify on the site).

\*\* This is the best site to use for AML training. The 2012 refresher course is titled “Stages of Money Laundering- Anti-Money Laundering for Insurance Review”.
