

Effective October 24th, 2016 Protective will be changing the face amount limits on their UL Protector and SUL Protector

WHAT IS CHANGING?

Protective will cap the amount of coverage they will offer consumers on UL Protector and SUL

Protector. The following face amount limits will become effective in illustration systems

as of October 24:

- UL Protector policies with combined face amounts on each insured greater than \$5 million will not be available.
- SUL Protector policies with combined face amounts on insureds greater than \$10 million will not be available.
- Applications for amounts greater than these limits may be submitted on or before Friday, October 28, 2016, and must include presentations produced no later than Sunday, October 23, 2016.
